# Grinnell Games Half Marathon & 5K

Runners and walkers will be passing by your home or office the morning of Saturday, June 11, and race route streets will be closed to traffic from 7:30 to 11:00 a.m. Vehicles will be allowed to cross over the route when clear of runners; driving on the route is not allowed. Volunteers will be stationed at intersections to assist you in crossing streets if necessary. For more information, contact 236-6555 or [events@getintogrinnell.com](mailto:events@getintogrinnell.com). Thank you for helping us host a safe and enjoyable race for our Grinnell Games participants!

### Helpful Tips:

- Review the route map below for street closures that affect you.
  - All streets along the route except downtown streets will reopen after the final runners pass by, with all streets open by 11:00 a.m. Please note the half marathon runners will run two loops of their route, passing by those streets twice.
  - The following downtown blocks will remain closed through 3:00 p.m. for Grinnell Games activities: 4th Ave. from Park St. to Main St., and Broad St. from Commercial St. to 5th Ave.
- Do not park on race route streets.
- If driving that morning, prepare an alternate route, leave early and consider walking or biking if possible.
- Show Grinnell hospitality by cheering on the runners as they pass by your home.
- Volunteer to be stationed at a nearby intersection to cheer for the runners and help us keep the route safe for runners.
